Class Descriptions

Longarm Machine Quilting Basics

Does longarm quilting interest you, and you'd like to learn more about it? Or do you just want a review of longarm quilting basics? This class removes the mystery of longarm quilting by explaining machine and frame elements and features, how to load a quilt, and vital facts about thread, needles and tension. Handi Quilter longarm machine and frame systems come in various sizes for every budget, and are user-friendly because they are designed by a quilter, for quilters – just like you!

Fast, Fun, Fabulous Free Motion

Quilters everywhere LOVE the excitement and fun of free-motion quilting – and it's easier than you think! Create flowing designs by connecting simple design elements with continuous lines, traveling across the quilt or filling in a specific area. Learn how drawing and muscle memory contribute to beautiful free-motion quilting, and how you can create stunning designs.

Hands-on Ruler Essentials

If you love precision and consistency in your quilting designs, you will love using design rulers and templates! These handy tools assist in placing designs accurately and stitching them out precisely. Learn to handle rulers and templates safely with the ruler base and Sure Foot, and how to achieve accuracy with the markings. The wide variety of Handi Quilter rulers will inspire you to new design heights.

Exploring Pro-Stitcher Hands On

Pro-Stitcher is an intuitive computer-guided quilting system designed especially for use with Handi Quilter longarm quilting machines. User-friendly and simple to operate, the step-by-step process for each function is easy and fun. Whether finishing your own quilts or considering a quilting business, come see the elegant and precise quilting you can accomplish with Pro-Stitcher. New owners – start here!
